27th October, 2014

Mr. Joseph Ole Lenku

Cabinet Secretary

Ministry of Interior and Coordination of National Government

Harambee Hse

NAIROBI

Dear *Waziri,*

**RE: LOW TURN OUT OF NATIONAL GOVERNMENT STAFF IN THE ONGOING
BIO-METRIC REGISTRATION EXERCISE AT THE COUNTY LEVEL.**

The Biometric Data Capture for all public servants in the National and County Public Servants which commenced on 1st September 2014 is scheduled to conclude on 31st October 2014. Initial data capture from the following Counties indicate low levels of registration of National Government Staff: Kilifi, Makueni, Bomet, Vihiga, Muranga and Bungoma.

At the end of the exercise, those public servants who will have failed to present themselves for the exercise without justifiable cause will be deemed as 'ghost workers' and subsequently removed from the payroll. It is therefore imperative to ensure that all public servants have been provided with the opportunity do so.

The County Commissioners are expected to mobilize the National Government Staff in all Ministries at the County level for the registration exercise and will be held responsible for the performance of the exercise in their respective area.

The purpose of this letter therefore is to request you to take the necessary action cognizant of the set deadline of 31st October 2014 for the exercise.

Yours sincerely

Handwritten signature of Anne Waiguru in black ink.

**ANNE WAIGURU, OGW
CABINET SECRETARY**
